Do you patronize the Friends Book Sale each Spring and The Children and Teen Book Sale in the Fall? Have you purchased a jigsaw puzzle at our annual sale or ongoing “Pop-Up” sale in the Library lobby? Have you visited one of the 28 museums in the Friends’ Museum Pass Program? Do your children participate in the Friends-sponsored Saturday Children’s Programs each winter? Have you visited the opera or a Broadway show as part of a Friends-sponsored event? Have you attended a Friends’ Book Discussion or visited one of the Friends seven Little Libraries around town? If you answered yes to any of these questions, you appreciate the value the Friends add to the Westfield Memorial Library.

Hunting for bargains at the Friends' Book Sale!

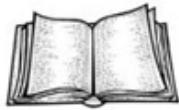

To provide this added value, the Friends need the continued support of its members. The Friends Membership Drive for 2026 launched in November and is ongoing. With this year’s drive, the Friends have introduced a simplified renewal process and membership structure. There are now three levels of membership: Household (\$25 and includes all family members residing at a single address), Friends Circle (\$50+ covers all family members in a single household), and Senior (\$20 covering all seniors in a single household). Prospective and renewing members can sign up at the Friends website ([www.fwmlnj.org](http://www.fwmlnj.org)) and pay via PayPal as directed at the website. Of course, you can also send your renewal form and payment to: FWML, 550 East Broad Street, Westfield,

NJ 07090. Please make checks payable to The Friends of the Westfield Memorial Library. Acknowledgements and receipts will be distributed in late January. Members of the Friends are entitled to early admission

## From the Editors' Desk

As 2026 dawns, we are in the midst of our annual membership drive and ask for your continued support in the coming year. It is only through your membership dues, patronage at our book and puzzle sales, , , donations and volunteer efforts that we are able to provide our various programs and contributions to capital improvements to the Westfield Memorial Library. We anticipate 2026 to be another banner year for the library, with the opening of the new Maker's Space, our winter roster of Saturday morning children's programs, a new series of Hale Speaker talks, our Metropolitan Opera subscription program, our Museum Pass program encompassing 28 museums and much more. But to continue to provide these services and support improvements to the library, we need your help. Your continued membership in the Friends supports all of our efforts to make the Westfield Memorial Library the best in the state.

### The Friend's Scholarship Program

The Friends are dedicated to supporting the Westfield Memorial Library and the services it offers to the community. We fund passes to 25 museums in the tri-state area, sponsor a book discussion club, maintain a network of seven Little Libraries throughout town, and deliver books to residents who are physical unable to visit the library. The Friends also have a Scholarship Program providing financial support for the education of future librarians.

#### 2025 High School Award Winners

With Audrey Zavitz, Scholarship Chair

The Friends' scholarship was initially established more than ten years ago and provided as many as three scholarships per year of up to \$2500 each. The funds were for tuition for courses leading to a degree in Library Science. Applicants had to be residents of Westfield or employed in town; the funding only applied to tuition, not books, fees or other expenses; and any funds awarded were paid directly to the educational institution.

As libraries have evolved, so has the Scholarship Program. Libraries have expanded beyond being a repository for books into full-fledged information centers with resources beyond their brick and mortar facilities and we have expanded eligible fields of study to information technology, data sciences and other fields appropriate to the modern library. And while the average award is still in the range of \$2500, in recent years we have gone above that amount if the expenses are justified and we have a limited number of applicants. We generally receive only one or two applications per year and some years none at all.

We recently amended our by-laws to expand the Scholarship Program to provide other educational opportunities to improve the library. One new component promotes staff professionalism. Current staff members of the Westfield Memorial Library can request up to \$500 to attend professional conferences or for continuing education programs. Awards may only be used for registration fees for conferences and not for travel, lodging or meals and must be approved by the Library Director and in compliance with town regulations governing employees. Another new component of the Scholarship Program is an award to high school students who reside in Westfield who have a strong record of academic achievement and a history of extracurricular activities promoting literacy or volunteer service to the library or with the Friends. In 2025, three awards were presented to Westfield High School Seniors.

## Friends Sharing the Warmth

The Friends Sharing the Warmth knitting group meets biweekly. Recently, the members collected 37 handmade hats and a few scarves and donated them to Emily's Hats for Hope Initiative and attached labels indicating they came from Friends Sharing the Warmth.

Emily, a woman from Morristown, NJ started collecting winter hats, scarves, afghans, etc. for the homeless and working poor in the US in 2011 when she was only 17 years old. She stepped down when she moved to Europe to attend graduate school. Her mission lived on in the many, many spin-off chapters she inspired all around the country and even overseas. In 2022 Emily's family decided to relaunch the Initiative. Her mom Jill makes hats and Emily continues to make hats in Europe. This is a wonderful way to share the warmth to those in need, all started by a teenager from Morristown.

## 14th Annual Children's & Teens' Book Sale

In October, the Friends held their 14th Children's and Teens' Book Sale. It was a great success, surpassing all expectations. The book sale is a great way to provide almost new books to the community at unbeatable prices. Studies show that kids who are read to or read on their own for at least twenty minutes a day have better vocabulary and reading comprehension skills if they are reading books they enjoy. We were happy to be able to help parents, grandparents, caregivers and friends achieve those goals with the wide selection of books we had to offer. Though the book sale serves as a major fundraiser for the Friends, its value goes well beyond as it also serves as a "fun-raising" community event.

We received over 6,800 books from the community over the five donation days and sold most of them during the sale days. The remainder were donated to multiple groups including an organization assisting families dealing with domestic violence, Furniture Assist, child psychologists, Linden Elementary School #6, Rafael Hernandez School in Newark, Westfield Fun Club, which helps local refugees, Jewish Family Services in Elizabeth, the Mitzvah Circle and the Friends' Little Free Libraries located throughout Westfield.

Bring on the kids!

The sale would not have been possible without help from greater than 40 volunteers (including students from McKinley School, WHS, UCTVS, and St. Joseph's in Metuchen, coordinated by Librarian Dana Rosen-Perez), BOE, DPW, WML staff members. We thank Costco, Peterson's Wine Unlimited, Total Wine, House of Wine & Liquor, Shoprite Liquors, and Dittrick's Wine and Liquors for providing flats and boxes. We are very grateful to the more than 300 community members who came through the doors to shop. Those customers helped us raise \$5,182.75 for the Friends to support museum passes, scholarships, Saturday children's

programming, and library programs for Black History Month and Women's History Month.

### It's Only 3 Months Away!!!!

Please mark your calendars!!! We need you!!! We need your books!!! Our 51st Annual Book Sale is coming in Spring 2026. Set up and Donations days will be Sunday, 4/19/26 through Tuesday, 4/28/2026. Sale days will be Wednesday, 4/29/2026 through Sunday, 5/3/2026. We will have it all - novels, cookbooks, mysteries, self-help, history, travel, animals, biography, YA, children's books, and more. The sale is a major fundraiser for the Friends of the Westfield Memorial Library.

But to raise all that money, we need your help. In addition to your book donations, we need your help setting up, sorting donations, helping out during the sale and cleaning up after the sale. Last year, over 60 people generously donated their time and effort to help make the sale so successful. Do you have students that need community service hours? The sale is a great way to earn them. Do you want to help your town but don't have lots of free time? Most of our volunteer shifts are 2 hours long. If you are interested in volunteering, please email us at [amyjberman7@gmail.com](mailto:amyjberman7@gmail.com). We will have a signup sheet available starting in January 2026 on the FWML website.

Please mark your calendars and to make sure you don't miss out on unbeatable prices as well as a chance to help your library! Stay tuned for more details coming soon.

You open it, and off you go." - Sharon Creech
